

Data sheet

Joint sheet metal/joint tape connector set

passage element of joint sheet metal to joint tape

[Show product](#)

article number:	070230
article group:	230 - Dichtblech/Fugenband-Zubehör
GTIN:	4251689512704
customs tariff number:	72123000
packing unit:	Set
sales quantity unit:	2 Stk
weight per:	Set = 2.5 kg
material:	steel plates: St 37, bright
	intermediate plates: NB
	screws: galvanised
colour:	grey
length steel plates/ intermediate plates:	160 mm
width steel plates/ intermediate plates:	80 or 140 mm
thickness steel plates/ intermediate plates:	Approx. 3 mm/ 5 mm
test certificate/ approvals:	Assessment report
	MPA Braunschweig
	No.: (1201/307/18) -PAN at 23.10.2018
pressure water-tightness:	up to max. 2 bar (20 m water column)
weight:	2,50 kg / Set
packaging:	2 pcs./ 1 set/ carton
	preassembled
usable with:	VB joint sheet metal
	MASTER joint sheet metal

carton content:

specification for 1 piece:

2 pcs. steel plate, St 37, bright, pre-drilled

1 pcs. intermediate plate, NBR, pre-drilled

Basis

All dimensions and information in this data sheet reflect the results of the laboratory tests that have been carried out. Deviations from the values determined by us under laboratory conditions are possible due to environmental and operating conditions beyond our control. The data in this data sheet only applies for the product delivered by us. The product data corresponds only to the specifications in Germany. Possible country-specific deviations are not taken into account here.

Indication of law

The technical information reflects our current knowledge of Joint sheet metal/joint tape connector set. It is intended only as information for users. As we do not know the envisaged applications and processing conditions, it is the responsibility of the user to carefully check that the product is suitable for the intended purposes. Due to the different components at the installation site and the working conditions in place there, MASTERTEC cannot provide any guarantee whatsoever for the result of the work. Claims arising from any legal relationship can only be recognised in the event of wilful intent or gross negligence, irrespective of the statements made here or advice provided verbally. In this case the user must prove that he has provided MASTERTEC in writing with all the information required to correctly assess the installation situation in good time. Subject to necessary product specifications or further developments. By providing this information MASTERTEC does not intend to infringe third party rights. The latest data sheet in each case applies. Our corresponding terms and conditions of sale and delivery apply.
