MASTERTEC

SPEZIALARTIKEL FÜR DEN STAHLBETONBAU

article number:	100030
GTIN:	4251689533051
customs tariff number:	72201200
material:	A2 stainless steel according to DIN EN 62561-2
colour:	silvery
length:	approx. 60 m
pallet:	20 rolls
norms:	DIN EN 62561-2 DIN 18014
tensile strenght:	400 up to 730 N/mm ²
specific resistivity $\mu\Omega\text{m}$:	$\leq 0,80$
weight/ m:	approx. 0,83 kg
safety aspect:	The Earthing straps do not contain any hazardous substances and pose no problems whatsoever in terms of handling and application. To the best of our knowledge, they contain no substances that are harmful to groundwater or could trigger health problems or allergic reactions to the installer. Nonetheless, we recommend that an appropriate level of hygiene is observed during application and that hands are washed as a basic rule before meals.

Basis

All dimensions and information in this data sheet reflect the results of the laboratory tests that have been carried out. Deviations from the values determined by us under laboratory conditions are possible due to environmental and operating conditions beyond our control. The data in this data sheet only applies for the product delivered by us. The product data corresponds only to the specifications in Germany. Possible country-specific deviations are not taken into account here.

Indication of law

The technical information reflects our current knowledge of Earthing strap V2A . It is intended only as information for users. As we do not know the envisaged applications and processing conditions, it is the responsibility of the user to carefully check that the product is suitable for the intended purposes. Due to the different components at the installation site and the working conditions in place there, MASTERTEC cannot provide any guarantee whatsoever for the result of the work. Claims arising from any legal relationship can only be recognised in the event of wilful intent or gross negligence, irrespective of the statements made here or advice provided verbally. In this case the user must prove that he has provided MASTERTEC in writing with all the information required to correctly assess the installation situation in good time. Subject to necessary product specifications or further developments. By providing this information MASTERTEC does not intend to infringe third-party rights. The latest data sheet in each case applies. Our corresponding terms and conditions of sale and delivery apply.
